

MC 04-1155 (203)

Emmanuel Hooks - arrested on 01-08-05

- Laverne issued 2-a's for the same case # @ the same time. I did release order on one aw so I would only bond on one aw.

- Wrote Judge a note advising her of the situation above & signed my name.

on 12-01-04, Lt. Cliff Garrett issued a memo to Capt. Givens in ref. to a juvenile being arrested on an aw issued by the Municipal Court. Judge Gordon asked me to look into this & let her ~~know~~ know about it. After researching this incident, I told the Judge that Laverne had issued the warrant on Albert Christopher Walker, MC 03-2379, dated 2-02-2004.
